3750 W 16th Avenue, Suite 236U | Hialeah, FL 33012

PROFESSIONAL PROFILE

Dr. Corrales is a board-certified internal medicine physician with hospital medicine, hospice and palliative care, clinical teaching, and scholarly presentation experience. He serves as Principal Investigator for Integrated Health Research LLC. His clinical background spans inpatient assessment, multidisciplinary care, goals-of-care discussions, and evidence-based decision-making.

CURRENT CLINICAL APPOINTMENTS

HCA Florida Mercy Hospital, Miami | Hospitalist Physician | September 2023-present

Provides inpatient medical care in a high-acuity community hospital. Participates in bedside teaching and mentors internal medicine residents and medical students in clinical reasoning, documentation, transitions of care, and evidence-based management.

Catholic Hospice, Miami | Medical Director | November 2023-present

Provides inpatient and outpatient hospice and palliative care; leads advance-care planning discussions and collaborates with interdisciplinary teams on symptom management and patient-centered care.

TRAINING AND EDUCATION

Internal Medicine Residency | HCA Florida Kendall Hospital, Miami | July 2020-June 2023

Postgraduate training in internal medicine.

Doctor of Medicine | American University of the Caribbean School of Medicine | 2016-2019

St. Maarten.

B.S., Biological Sciences | Florida International University | 2011-2014

Miami, Florida.

A.A., Biology | Miami Dade College | 2009-2011

Miami, Florida.

TEACHING, LEADERSHIP AND QUALITY IMPROVEMENT

Hospitalist Physician Educator | HCA Florida Mercy Hospital | 2023-present

Teaches internal medicine residents and medical students during inpatient rotations; supports case-based discussions and bedside learning.

Senior Resident Mentor | HCA Florida Kendall Hospital | 2022-2023

Mentored junior residents and medical students and assisted with orientation and educational activities.

Medical Student & Resident Coordinator | HCA Florida Kendall Hospital | 2021-2023

Coordinated medical student integration into residency rotations and served as a liaison among residents, faculty, and students.

Residency Candidate Selection Committee | HCA Florida Kendall Hospital | 2021-2023

Participated in applicant review and interviews.

Quality improvement: multidisciplinary rounds, patient safety, discharge planning, and coordination with nursing, pharmacy, rehabilitation, and case management.
